A shorter and truer advertisement by way of supplement, to what was published the 7<sup>th</sup> instant, &c.

Have I my fingers? and have I my eyes?  
Or are my senses fled through much surprise?  
There's something sure! must quickly come,  
From out of Mary Toft her womb.

See here! just above the pubes,  
Either in womb, or in the Tube is  
A huge swelling, within her belly,  
Which I'm amaz'd at, let me tell ye!

This is no doubt a curious case!  
Her pains are sharp upon her,  
Oh! keep your word, and give me place,  
As you're a man of honour.

Remember your promise, break not your troth,  
This month of December, and day the fourth.

the month of January, and the first day  
of the year, 1800.

Hold, hold, sweet sir, do me no wrong,  
 Down on my knees I implore ye,  
 Her labour pains are mighty strong,  
 Let's touch't in Uteri ore.

With usual shrug and pearl at tip of nose,  
 Amongst you all, I solemnly depose,  
 There's something curious! make no doubt  
 Ere it be long, I'll pull it out.

A Birth! a Birth! is now at hand  
 Come in without delay;  
 Nay, come, good Sirs, this moment in,  
 Or I will run away.

Unless you all come in and see  
 This wondrous birth, this prodigy!  
 I never more belief shall find,  
 Amongst my brethren, or womankind;  
 Therefore come in with one consent,  
 For I am all astonishment!

1847

1. The first of the year was a very dry one, and the crops were much injured by the drought. The weather was very hot, and the ground was very dry. The crops were much injured by the drought, and the weather was very hot. The ground was very dry, and the crops were much injured by the drought.

2. The second of the year was a very wet one, and the crops were much injured by the rain. The weather was very cold, and the ground was very wet. The crops were much injured by the rain, and the weather was very cold. The ground was very wet, and the crops were much injured by the rain.

3. The third of the year was a very dry one, and the crops were much injured by the drought. The weather was very hot, and the ground was very dry. The crops were much injured by the drought, and the weather was very hot. The ground was very dry, and the crops were much injured by the drought.

4. The fourth of the year was a very wet one, and the crops were much injured by the rain. The weather was very cold, and the ground was very wet. The crops were much injured by the rain, and the weather was very cold. The ground was very wet, and the crops were much injured by the rain.

5. The fifth of the year was a very dry one, and the crops were much injured by the drought. The weather was very hot, and the ground was very dry. The crops were much injured by the drought, and the weather was very hot. The ground was very dry, and the crops were much injured by the drought.

6. The sixth of the year was a very wet one, and the crops were much injured by the rain. The weather was very cold, and the ground was very wet. The crops were much injured by the rain, and the weather was very cold. The ground was very wet, and the crops were much injured by the rain.

7. The seventh of the year was a very dry one, and the crops were much injured by the drought. The weather was very hot, and the ground was very dry. The crops were much injured by the drought, and the weather was very hot. The ground was very dry, and the crops were much injured by the drought.

8. The eighth of the year was a very wet one, and the crops were much injured by the rain. The weather was very cold, and the ground was very wet. The crops were much injured by the rain, and the weather was very cold. The ground was very wet, and the crops were much injured by the rain.

9. The ninth of the year was a very dry one, and the crops were much injured by the drought. The weather was very hot, and the ground was very dry. The crops were much injured by the drought, and the weather was very hot. The ground was very dry, and the crops were much injured by the drought.

10. The tenth of the year was a very wet one, and the crops were much injured by the rain. The weather was very cold, and the ground was very wet. The crops were much injured by the rain, and the weather was very cold. The ground was very wet, and the crops were much injured by the rain.

These were my very words, express,  
 Tho' I've indeed deny'd 'em;  
 And much like these, I do confess,  
 I've often said beside them.

Flamingo

FINIS.

This is copied from the second edition, in  
 which the three last stanzas were added.

Then were they the same, after  
The first instant night  
And would like this, I do repeat,  
To other instances.  
The same

THE

As I said, the same
